What could I put on my seat plaque?

A seat plaque is a small but lasting way to celebrate someone, somewhere or something meaningful to you. There is no right or wrong way to dedicate your seat – it could be a personal tribute, a celebration of a career in geoscience, or a message for future generations.

Standard Seat	£500
Priority Selection Seat	£1,500
Premium Recognition Seat	£2,500

Marking a special moment

A seat dedication can also be a wonderful way to mark a special occasion – a **birthday, anniversary, retirement, graduation or career milestone**, or to commemorate a significant event or achievement, whether a personal dedication or with friends and family. Every seat dedication includes a dedication certificate.

A seat plaque is also a thoughtful gift to celebrate someone special, recognise a shared passion, honour an inspirational figure or mark a memorable moment in a career or life.

And you don't have to wait for an occasion. A seat dedication can simply be a lasting way to celebrate your connection with the Geological Society, Burlington House and the world of geoscience.

Plaque messages can be up to 80 characters. If you have an idea but aren't quite sure how to express it, we'd be very happy to help you find the right words. Here are a few ideas for seat dedications that may inspire you.

You might choose to dedicate your seat:

To someone who inspired you

"In honour of Mary Anning, whose curiosity continues to inspire"

To someone you admire

"In memory of John Smith, geologist and lifelong explorer"

To a mentor or colleague

"In honour of Professor Jane Brown, with gratitude for a lifetime of inspiration"

To your family

"For Emma and James – may you always remain curious about our world"

To a lecture, conference or event

"For a lifetime of lectures, discoveries and conversations"

To Burlington House

"For Burlington House – a home for geoscience since 1874"

To a special place

"For Lyme Regis, where my love of fossils began"

To a shared passion

"For the love of geology, discovery and the Earth beneath our feet"

To a career or achievement

"Celebrating 40 years in geoscience – 1987–2027"

To a company or group of colleagues

"To the xxxx Company Geology Team 2026"

For future generations

"For those who will discover what comes next"

Contact us: If you would like to discuss any aspect of **seat dedications or other ways to give**, please contact us at development@geolsoc.org.uk or call on +44 (0)20 7432 0947.
